

# Ali Fouanne

## FRONT-END WEB DEVELOPER

My name is Ali, a recent graduate of Al-Bath University with a Bachelor's degree in Information Technology Engineering, specializing in Software Engineering and Information Systems. I am currently pursuing a Master's degree in Web Science at Syrian Virtual University. With a strong foundation in computer programming and database management, I am skilled in front-end web development. I have a proven ability to quickly learn new skills and technologies, making me a .valuable asset to any team
